

Year 2 Homework Letter - Friday 16th June 2023

On Wednesday, the children enjoyed a morning of PE with Coach Pete.

English

On Monday we read 'A Walk In London'. We made notes about all the places that the tourists visit in the story (part fiction/non-fiction). Then using iPads, we researched a given landmark or area of London. Then we reverted back to our walk around the school and after talking about preposition (positional vocabulary) we wrote sentences like: Around the corner from the hall, is the Year 2 classroom. Noting that a comma is needed as it is a fronted adverbial. Now the children are learning about Nutfield Village.

Maths

This week we have been learning about 'Statistics' (which includes learning about data - tally charts and bar charts). The children are really enjoying learning about tally charts and tables - it something that they may begin to relate to and recognise as a life (or future work) skill for how we record and read data.

Dates

Wednesday 14th June - Year 2 Wellbeing
Wednesday - PE kits please
PTFA Wear trainers for sweets for the Summer Garden Party - 16th June
21st June - Year 2 Class Collective Worship
Year 2 visit to Tower Bridge - Wednesday
28th June (packed lunch/trainers and a waterproof depending on weather forecast)
Sparkfish Think Space W/C 19th June
PTFA Summer Garden Party - 24th June
Trinity Farm Blessing and Hopathon- 29th June (9.30am blessing)

Mrs Cordey, Miss Murray and Miss Lindsay

Homework

- Please learn the spellings in homework books. We discussed these words in class. Perhaps learn them at the weekend and then practise them every day before our spelling test on Friday.
- Please complete the Maths homework which is linked to our learning on volume and capacity on Purple Mash.
- It is so important to read every school day and would appreciate a note in the reading record (I know some children are starting to write in their own reading record but if they could do it in pencil or black pen please - thank you!).

Hop-a-thon

On Thursday 29th June the children will be participating in our annual school Hop-a-thon. Please find a letter and sponsorship form enclosed. Thank you for your support.

Biodiversity and Sustainability Week

This week, as part of our Outdoor Learning Biodiversity and Sustainability Week, the whole school got involved in an array of diverse, engaging and educational activities which will raise their awareness of environmental issues. The week concluded with a 'Trashion show' where we designed and made an outfit out of recycled materials linked to the theme of 'Kings and Queens' for the Coronation.
