

## Year 5 Homework letter - Friday 16th June 2023

We had a lovely PE and Wellbeing lesson this week, we looked after the animals and played a brilliant game of rounders!

### Design & Technology

The children have made their Mars Rovers this week! They have been sawing, cutting, gluing, building and painting their junk modelling to create fantastic models. These will be seen in the Art Exhibition and at our Open Evening. Our website man, Tony, has created a beautiful video of the process and it will be available to see on the website soon.

### Science at St Bede's

We had a very successful first session with Mrs Failes. During the lesson, the children created camping cups and investigated which material would hold the liquid the hottest over a 5 minute time period. We are looking forward to our next few sessions.

### Sports Day

Sports day is on Friday 30th June, we will be **meeting at St Bede's as normal in the morning**. Children need to be in full school uniform for our visit. For the children to be prepared for Sports Day, they will get changed on their return to school. Please ensure their full Sports Day PE kit (coloured t-shirt, shorts, hat etc) is brought in and kept in school on Thursday.

### HOP-A -HON

Our annual Hop-A-Thon aims to raise money to fund the ongoing costs of our farm. Our hope is that each child will be able to collect at least £10 through sponsorship. Each year group is to do a big hoppy task. You can sponsor your child for each hop he / she does or you can sponsor him/her for the completing the whole hoppy task! Last year we raised an amazing £1500—I wonder if we can beat that total this year? This year the Hop-A-Thon is taking place on Thursday 29th June.

Have a restful weekend,

Miss Mitchell, Mrs Ross and Mr Peluso

### Homework

#### **Maths**

There are some mental arithmetic problems and reasoning problems in the children's homework books this week. They recap most of the learning completed this term so far.

#### **Reading**

There is a reading comprehension in the children's homework books for this week.

#### **Spellings**

Please complete session 17 of the spelling pack.
