

Year 6 Homework

9-06-23

English

This week, the children produced an information leaflet about birds that they observed in our playground. In this leaflet information was included about the type of birds spotted and their physical features, food and places to nest and giving advice about how to encourage birds to visit their gardens.

This is an example of their magnificent work:

Business Enterprise

The children are working diligently in their groups during their enterprise lessons. They have already decided on some great names and logos for their teams. They understand the concept and are able to describe entrepreneurial skills. They are still deciding which product they are going to sell by calculating the cost and profit. Next week, the children will conduct market research asking other pupils in the school about their product

HOP-A THON and DRESS-UP DAY

Our annual Hop a Thon aims to raise money to fund the ongoing costs of our farm. Our hope is that each child will be able to collect at least £10 through sponsorship. Each year group is to do a big hoppy task. You can sponsor your child for each hop he / she does or you can sponsor him/her for the completing the whole hoppy task! Last year we raised an amazing £1500—I wonder if we can beat that total this year? This year the Hop a Thon is taking place on Thursday 29th June.

Biodiversity and Sustainability Week

This week, as part of our Outdoor Learning Biodiversity and Sustainability Week, the whole school got involved in an array of diverse, engaging and educational activities which will raise their awareness of environmental issues. The week concluded with a 'Trashion show' where Year 6 designed and made an outfit out of recycled materials linked to the theme of 'Kings and Queens' for the Coronation.

Dates for your diary:

16.6.23: PTFA Wear trainers for sweets for the Summer Garden Party
W/C 19.6.23: Sparkfish Think Space

29.6.23: Trinity Farm Blessing and Hopathon-Blessing at 9.30
30.6.23: Sports Day

Secondary School Visit

Moving up from primary to secondary school can feel like a huge step for a young person and their family, and this is natural. On Friday 26th, May, two of the Heads of Year (HOY) from Carrington School visited our school to meet our Year 6 Pupils. It has been reassuring to see the children's excitement. This has helped the children get to know a member of the transition team and start their preparations.

Rehearsals for our production have started well. The children are very enthusiastic! As homework the children must learn their lines and the song lyrics.

Have a lovely weekend!

Regards,

Mrs Cox and Mr Peluso
