

Year 2 Homework Letter - Friday 7th July 2023

It has been such a busy week! Thank you to the parents who came to see our wonderful Art Exhibition and those I had an opportunity to talk to at the Open Evening. On Thursday, Year 2 had their 'Move Up' afternoon with their new teacher - Mrs Cordey!!

English

Firstly, we planned and wrote a recount of our trip to Tower Bridge, focusing on ensuring it was written in chronological order and the use of time adverbials - first, next, then, finally. Using our trip to Tower Bridge as inspiration, we researched nouns (cog and pivot) and verbs (rotate and wind) using iPads and dictionaries and then wrote a table of bridge vocabulary complete with words and pictures.

Maths

This week we have finished learning about 'position and direction'. We used the tally charts we made during our visit to Tower Bridge to make a pictogram and a block diagram (bar chart). For the next two weeks, Year 2 will be preparing for Year 3 by revising our method for the 4 operations and starting to learn the formal column method used for addition and subtraction in Year 3.

Homework

- Please learn the spellings in homework books. We discussed these words in class. Perhaps learn them at the weekend and then practise them every day before our spelling test on Friday.*
- Please complete the Maths homework online.*

In Year 3, the children will have a daily reading slot in which they will have an opportunity to write in their own reading record so these will need to be in school every day. In preparation for this, and as the children enter key stage 2, I have reminded them that they need to take ownership of this and check that they have their reading record (and a book - of their choosing if they are an independent reader) in their bag daily.
