

## Year 2 Homework Letter - Friday 14<sup>th</sup> July 2023

*This is the final homework letter of the Summer term and the academic year! May I take this opportunity to thank you for all your help and support through what has been a very happy, busy, exciting and successful year in Year 2.*

### English

*This week we finished reading 'Rosie Revere Engineer'. We have written expanded noun phrases about Rosie and then used some given statements and exclamations, which we used to write some of our own. Then we wrote Rosie's school report. On Thursday we received a letter from Rosie asking for our help to write a leaflet about Tower Bridge. During the remainder of this week and next, we are using what we have learnt about Tower Bridge to help Rosie write an information leaflet detailing the origins of the bridge, some interesting facts about how it was built and how the bridge works.*

### Maths

*During this week and next, Year 2 are preparing for Year 3 by revising our method for the 4 operations and starting to learn the formal column method used for addition and subtraction in Year 3. I have to say so far we are all doing extremely well!*

*I hope you have a wonderful summer and I look forward to seeing everyone in September in our new Year 3 classroom!*

*Mrs Cordey, Miss Murray and Miss Lindsay*

### Homework

- Please learn the spellings in homework books. We discussed these words in class. Perhaps learn them at the weekend and then practise them every day before our spelling test on Friday.*
- Please complete the Maths homework in books on addition and subtraction.*

### Dates

*Leaver's Service Christ church -Friday 21st July  
9.30 am*

*End of term -Friday 21st July*

*Inset days -Friday 1st September and Monday 4th September*

*Start of new term - Tuesday 5th September*

### A few highlights of our year!
