

Year 2 Homework Letter - Friday 30th June 2023

Well done Year 2 and thank you to our parent helpers for a fantastic trip to London and Tower Bridge on Wednesday.

English

This week, in preparation for our trip to Tower Bridge, we learnt some harder to read and spell words - such as after and past. We then learnt different 'j' graphemes: -dge, 'ge and j- and used a dictionary to look up any that we didn't know the meaning of. Following our visit to Tower Bridge, before we start reading 'Rosie Revere Engineer' we are going to have a competition to build a bridge from Lego - just like they did in the 1870s to find the best design for London's new bridge!

Maths

This week we have started our final unit of White Rose Maths - position and direction. We are learning about the language of position and direction - forwards, backwards, left and right and also how to describe a turn - clockwise or anti-clockwise.

Next Year

In Year 3, the children will have a daily reading slot in which they will have an opportunity to write in their own reading record so these will need to be in school every day.

In preparation for this, and as the children enter key stage 2, I am encouraging them to take ownership of this and check that they have their reading record (and a book - of their choosing if they are an independent reader) in their bag daily.

Mrs Cordey, Miss Murray and Miss Lindsay

Homework

- Please learn the spellings in the homework books. We have discussed these words in class. Please learn them at the weekend and then practise them every day before our spelling test on Friday.
- Please complete the Maths homework - linked to position and direction.

It is so important to read every school day and it would be greatly appreciated if a note of this could be written in the reading record (I know some children are starting to write in their own reading record - pencil or black pen please - thank you!).

Wednesday 28th June - Year 2 trip

Year 2 had an amazing time in London on Wednesday when they visited Tower Bridge. The children were very excited but they managed the journey brilliantly and were very well behaved in the venue.

Dates

Art Exhibition - Tuesday 4th and Wednesday 5th July

Open Evening - Wednesday 5th July

Move up day - Thursday 6th July pm

Music Concert - Thursday 6th July at 6pm

Last day of term - Friday 21st July 2023
