

English

This week in English we have continued to work on our book, *Black Dog* by Levi Pinfold. Their learning focus this week was to re-tell and uplevel the story in their own words. They looked at how they could implement their grammar focus from last week.

Maths

This week in Maths we have moved onto statistics. We have learnt to analyse pictograms, bar graphs and line graphs. Towards the end of the week we looked at creating our own questions based on data for other members of the class to solve. Next week we will continue to look at statistics and we will be gathering our own data to create bar charts of our own.

Water bottles and sun hats

We ask that you send your child to school with a water bottle (**Please no juice**) which we can take outside at lunchtime so they can stay hydrated. In very warm weather, please make sure they also come to school with a hat and wearing sun cream.

Transition day.

On Thursday, Year 3 had their 'Transition Day' afternoon and spent time with their new teacher - Mrs Rutter! She really enjoyed getting to know the children and she is really looking forward to teaching them.

Sports Day

The children had a fantastic Sports Day! Well done to St David's team, who won by a single point! All children contributed to their teams with pride! It was lovely to see so many of you. I would like to thank all of the parents who came and supported their children over the afternoon's events.

Art Exhibition and Open Evening

Thank you to all of you who came to our Art Exhibition and Open Evening! It was so lovely to see you all and celebrate the children!
