

Year 3 Homework letter - Friday 14.07.2023

In preparation for next week, could you please pack several (strong) plastic bags into your child's school bag. This will allow them to comfortably take home their books and artwork from this academic year.

English

This week in English we have planned and started to write our own innovated stories based on the 'Black Dog' book. The children used themselves and their own family at the centre of their narratives. Their happiness was short lived however, the day their own mysterious creature visited them.

Maths

In Maths it has been consolidation week and this will continue into the last week of term. The children will look at Place value, addition, subtraction, multiplication and division.

On a personal note:

This is the last homework letter of the academic year! It has been a pleasure to teach and get to know Year 3 this Year.

Their enthusiasm and love for learning was clear to see from day one and they should be extremely proud of all that they have achieved this academic year.

I wish them all the best for their transition into Year 4 and I look forward to hearing how they continue to progress.

I hope you all have a restful summer holiday and come back on Tuesday 5th September refreshed for Year 4 - Mr Bowen.
