

Year 5 Homework letter - Friday 07 July 2023

Thank you to all of you who came to our Art Exhibition and Open Evening! It was so lovely to see you all and celebrate the children! On Thursday, Year 5 had their 'Move Up' afternoon with their new teacher - Mr Bowen! He is really looking forward to getting a chance to teach them once again!

English

In English, we have continued with 'The Last Bear' by Hannah Gold. Throughout the week, the children have read many chapters of this fantastic book. The children have written a diary entry as if they are April on the ship and used passive voice to predict to what happens next in the story.

Using the passive voice is a way of writing sentences so that the subject has the action 'done' to it - the object of the sentence comes first. The passive voice can be useful for making writing sound more formal and objective by focussing on the result of an action rather than the person doing the action.

In a sentence written in the passive voice the subject is acted on by the verb.

Active: The puppy chewed the toy.

Passive: The toy was chewed by the puppy.

Passive: The toy was chewed.

Maths

In Maths, we have focused on multiplication and division. We have used the formal method of multiplication and division:

$$\begin{array}{r} 712 \\ \times 23 \\ \hline 2136 \\ + 14240 \\ \hline 16376 \end{array}$$

$$\begin{array}{r} 0 \ 3 \ 1 \\ 6 \overline{) 186} \\ \underline{6 } \\ 18 \\ \underline{18} \\ 6 \\ \underline{6} \\ 0 \end{array}$$

no groups of 6 can be made: $3 \times 6 = 18$ $1 \times 6 = 6$

Have a restful weekend,

Miss Mitchell, Mrs Ross and Mr Peluso

Homework

Maths

On MyMaths there are a selection of multiplication questions.

History

As part of our History topic, we have been learning about Our Local Area. I would like the children to find out 10 key events that happened in either Nutfield, Reigate, Redhill, Bletchingly or Merstham and present their work as a timeline.

Sports Day

The children had a fantastic Sports Day! Well done to St David's, who won by a single point! All children contributed to their teams with pride! It was lovely to see so many of you. Mr Bowen would like to thank all of the parents for coming and supporting the event.

PE

The children had a lovely session with Pete this week! They took part in several activities including cricket and rounders.

Dates

District Sports Track	Monday 10th July 2023
Year 5 Science at St Bede's.	Friday 14th July
Year 6 Production Dress Rehearsal	Friday 14th July—2pm
