

Year 5 Homework letter - Friday 30th June 2023

The children had a fantastic time at the dramatic performance of *The Jungle Book* on Tuesday afternoon—Thank you to the PTFA!

English

In English, we have continued with *'The Last Bear'* by Hannah Gold. Throughout the week, the children have read over 10 chapters of the story. In Chapter 12, April (the main character) has an argument with her dad; inspired by this, the children have written a diary entry of what happened next. They have also written a description of what Bear Island looks like!

In Maths, we have finished all of our units of work. For the next few weeks we will be revising key concepts: addition, subtraction, multiplication, division and fractions. This week, we focused on addition and subtraction.

Hop-A-Thon

The children enjoyed raising money for the animals during the Hop-A-Thon on Thursday!

Homework

Maths

On MyMaths there are a selection of addition and subtraction problems. These revise the work we have completed this week.

Reading

There is a reading comprehension in the children's homework books for this week.

Spellings

Please complete session 19 of the spelling pack.

Dates
