Art Exhibition

We were delighted to welcome so many parents/carers to our 2023 Art Exhibition.

The children produced wonderful pieces of art. The exhibition showcased the extraordinary range of skills which the children acquired during the year. They worked with a wide range of media and very much enjoyed their work.

We had a superb time last Friday at our annual Sports Day and were so pleased to see so many of our parents/carers and extended family and friends at the event. The overall winners this year were St David's Team. Photos of the event itself are on the website and can be seen here:

Congratulations to all the children who were super on the day giving each event their absolute best. Mr Bowen did a fantastic job organising the event with the support of the staff and PTFA who donated much appreciated lollies at the end! Thank you everyone for making the day so special.

A prayer for our Leavers

Lord, we ask that like the disciples on the road to Emmaus, we will recognise you in our own lives, giving us love and guidance to take the steps to move forward. Be with us in our triumphs and challenges. Support us each and every day.

Year 6 Business Enterprise End of Year Project

Thank you for all of your support in helping the children to prepare their products to sell this week. The children have promoted their business enterprise by making posters and distributing flyers in the playground. These methods of advertising give an informative message about their products and attempt to persuade others to buy them. The total amount that they raised was £ 272.33! Well done! I am sure that it will be used well so the children have a fabulous end of year party.

Costumes for the end of year production.

The children have been very busy this week rehearsing for their production and are all looking forward to becoming 'stars of the stage'. The children are taking home a detailed list of costumes for their character in the production. Please let me know if you are able to help with the costumes.

It is important that the children are on time in order to get ready with their costumes. The children should arrive at the school at 5.15 p.m with a bottle of water.

Leavers

Year 6 class travelled to London on the 23rd June and will be attending our own Leavers' service at Christchurch on the 21st July. We welcome all parents and carers of Y6 to the service which is so important in the lives of the children. They are a lovely class and will be very much missed by us all. We wish all our outgoing families the very best as you leave us at the end of term. Please do come and visit us when you can. You are all most welcome here. Thank you for the years of support and encouragement. You will also be missed!

Have a lovely weekend!

Regards,

Mrs Cox and Mr Peluso
