

Year 6 Homework Letter

14-07-23

This is my final letter to all of you. I must admit I have tears in my eyes as I am writing this. Time has gone by so quickly... They say time flies when you are having fun! I guess that's true. This has been an incredible year for us. We have grown and learned so much ... We have shared all kinds of moments: happy, sad, fun, magical... Each of the children has given of their best; each of them has worked really hard throughout this year. I can't find the words to describe how proud I am of them all. I'm grateful for all we have shared. I would especially like to thank the children for helping me to become a better teacher. Thank you for reminding me that my job is not a job, but a passion. I love being a teacher more and more every day. Each child has made a difference to me. I will always remember you.

JRDF (Juvenile Diabetes Research Foundation Ltd)

We will be collecting funds at the end of our production for a cause which is very close to our hearts. In fact, so close as a member of our class lives with Type 1 Diabetes. The charity we have elected is called JRDF (Juvenile Diabetes Research Foundation Ltd).

Dates for your diary:

17.7.23: KS2 Production—6.00pm —7.00pm

18.7.23: KS2 Production—6.00pm —7.00pm

21.7.23: Leavers' Service @ Christ Church -9.30 a.m.

21.7.21: Last Day of Term.

Leavers

On the 21st July there will be the Leavers' service at Christchurch. We welcome all parents and Carers of Y6 to the service which is so important in the lives of our children. They are a lovely class and will be very much missed by us all. We wish all our outgoing families the very best as you leave us at the end of term. Please do come and visit us when you can. You are all most welcome here. Thank you for the years of support and encouragement. You will also all be missed!

A prayer for our Leavers

Lord, we ask that like the disciples on the road to Emmaus, we will recognise you in our own lives, giving us love and guidance to take the steps to move forward. Be with us in our triumphs and challenges. Support us each and every day. Amen.

It has been both rewarding and a pleasure to teach your children this year. We wish them all the very best for the future. Have a wonderful summer!
Kindest regards, Mrs Cox and Mr Peluso.

Science Experiment Day

Last Tuesday, Mrs Robinson visited us in Year 6 to inspire the children in Science by having them conduct a number of experiments, using water as a foundation. They used various colours on a piece of kitchen roll and when it came into contact with the water, the colours 'ran'; the children became water (H_2O) particles; they did experiments using sand in water to see if it dissolved or whether it was hydrophobic and they even created volcanoes, which caused much excitement! These were only a few of the many experiments they conducted. We would like to thank Mrs Robinson (and her assistant, Lyra) for their time and enthusiasm towards the Sciences.

The End of Year Production.

The children have been very busy this week rehearsing for their production in their costumes. It is vital that the children are on time for the performances in order for them to get ready with their costumes. The children should arrive at the school at 5.15 p.m. with a bottle of water. Our production is 'Ali Baba and the Bongo Bandits'. The ancient city of Old Baghdad is in chaos. Whilst the bustling bazaar is overrun with ruthless robbers, up in the palace, Sultan Pepper's precious princess and royal ruby have vanished! To make matters worse, it seems the poor Sultan cannot trust his own Vizier, Mustapha Widdle, nor his mischievous monkey Booboo. So, when Ali Baba discovers the hidden Cave Of Wonders, secret hideout of Balthazar Bongo and his bumbling bandits, it's down to him to save the day! But when his ravenous, tap-dancing camel Humphrey bites off more than he can chew and Ali is accused of royal robbery, his fate seems as sealed as the Cave Of Wonders itself! With the sands of time rapidly running out, will Ali escape the clutches of the evil Vizier? Will he find and free the imprisoned princess? And what's in store when Ali and Bongo finally meet... fez to fez? These mysteries and many more are revealed as we follow Ali across the dusty desert dunes to face forty filthy thieves, rescue a runaway princess, fly a magic carpet and release a genie from a bottle of ketchup!
