Visit to Southwark Cathedral

Last Friday, the children attended the Year 6 Southwark Diocese Leavers' Service. The service was beautiful and it offered a time for the children to reflect on their primary school days at Nutfield Church. They enjoyed the performance of some children from different schools belonging to our Southwark diocesan family and they were very moved by the 'Bishop' sermon concerning the move into a secondary school. They behaved beautifully throughout the service and during our journey to and from London.

Secondary school visits.

The children all came back with great enthusiasm and excitement after their day at their new secondary schools. It has been rewarding to hear about their experiences and the new friends they have met.

Year 6 Business Enterprise End of Year Project

The children have now completed their entrepreneur tasks. They have received £6.00 from me to 'buy' the resources that they require. A record is being kept by each group to monitor the budget for the activity. This will be used after the sale. Next week the children will organise the production of their products. They will need to work out how and when they will make these. They will also need to make several products in order to have enough to sell on the 6th of July and to make a profit! Previously, the children carried out some market research to help them to find out more about the market place in which their product is to be sold. They designed a questionnaire and collated the responses presenting the data in appropriate forms e.g. tally charts, bar charts or line graphs. It's amazing how hard the children are willing to work when tasks are relevant to them!

Costumes for the end of year production.

The children have been very busy this week rehearsing for their production and are all looking forward to becoming 'stars of the stage'. Next week, the children will be taking home a detailed list of costumes for their character in the production. Please let me know if you are able to help with the costumes.

Hop-A-Thon

We had a really successful Hop-A-Thon yesterday. Please could all sponsorship money be paid into Sco-Pay or brought into school by Friday, 7th July. Thank you.

Relationships and Sex Education.

We will be teaching the Year 6 RSE unit the week Commencing 4th July. Please see the coming letter for more information.

Have a lovely weekend!

Regards,

Mrs Cox and Mr Peluso
