

Year 6 Homework letter - Friday 06.10.2023

English: This week we continued to look at our reading and comprehension based on the book 'War Horse'. Together, we read chapters two and three in class. The children individually answered questions based on the text focusing on their inference skills to obtain answers that are not necessarily evident within the text. This week in English, we continued our book 'Romeo and Juliet'. Within our lessons we have focused on use of adverbial phrases to add detail to our writing. Later in the week we looked at dialogue between characters and how actions can help portray how a character is feeling.

Maths: This week in Maths we continued our re-capping of the column method of addition and subtraction. We focused first on reminding ourselves the basic layout and place value. Later on in the week we moved on to prime numbers, squared numbers and cubed numbers. We then finished the week off by reminding ourselves how to correctly use the formal method of multiplication when multiplying a four-digit number by a two-digit number:

$$\begin{array}{r} 427 \\ \times 23 \\ \hline 1281 \quad (3 \times 427) \\ + 8540 \quad (20 \times 427) \\ \hline 9821 \end{array}$$

Dates

- Whole School Nasal Flu Vaccination Monday 16th October
- Year 6 Wellbeing Wednesday Morning. P.E Kits must be in for this day.
- Half term- 23rd October to 27th October
- Buddy Collective Worship (Yr R and Year 6) Thursday 2nd November
- Remembrance Service- Friday 10th November
- Anti-Bullying week- Monday 13th- Friday 17th November
- School photographer individual photos- Monday 20th November
- Parent and Carer Evenings- 28th - 30th November 3.30-6.00pm

Homework

Daily Reading: At least 15 minutes of daily reading out loud. Please fill in the reading log on completion of a book.

Maths: This week's Maths homework will be set on MyMaths and will be based on multiplication.

Spellings: Twenty Spellings will be set on PurpleMash. Ten spellings from the Year 5/6 curriculum and Ten from the Years 3/4 curriculum.

Time Tables Rockstar: Please do continue to practise your times tables using our online program.

Revision: Please complete the attached document on the formal method for multiplication.

Passwords: Passwords for PurpleMash, MyMaths and Times Tables Rockstars can be found in the back of your child's reading logs.

Harvest Festival.

This week the school travelled down to Christ Church to celebrate our Harvest festival. As you are aware, every year during Harvest, we collect specific food items. At this week's service, the food items were given to Christ Church in order to support their mission to help those less fortunate in our community. The food items donated by us to Christ Church will then be moving onto 'Open Hands, Reigate.' They are an explicitly Christian organisation, who support all those who need their services and is run by the founders of the Renewed Hope Trust. We would like to thank you all for your kind donations towards this noble cause. As a school we look forward to your continued support with the various love projects we will be undertaking across this academic year.

Our next project will be: Operation Christmas Child.

Hoping you have a restful weekend,
The Year 6 Team.
