

Year 5 Homework Letter – Friday 24th November

Maths

This week in Maths, the children have been ordering and comparing fractions less than and greater than 1. When comparing and ordering fractions, we used bar models and learnt: 'when the denominators are the same, the greater numerator, the greater the fraction. The numerator is the top number and the denominator is the bottom number in the fraction. Here is an example of the bar models the children have used when comparing and ordering fractions:

English

This week in English, the children learnt to select and sequence key events in our narrative 'The Lost Thing'. The children learnt to do this by writing five paragraphs based on the key events in the story ensuring they were as descriptive as possible.

Homework

Spelling: The children should complete the 10 spellings for week 4 set on Purple Mash.

Maths: Everyone must practise their times tables on Times Tables Rock Stars.

Reading: The children must also read for at least 15 minutes per day and comment in their green reading log.

Assessment week

This week has been assessment week and the children have worked really hard to complete a range of 'special challenges' in English and Maths. We are very proud of the children and the maturity they showed in their approach to these challenges.

Christmas baubles

To contribute towards our Community Christmas Tree mentioned in the school newsletter, we would like children to bring in shop bought or man-made baubles from next week. At the start of the following week, each class will place their bauble's on the tree and share a Christmas Prayer together.

Dates for your Diary
