

English:

This week we have continued to base our work on the book *'The Hidden Forest'* by Jeannie Baker. This week the children planned and wrote their sequel to the story. Our two key characters from the original book are now all grown up and have returned to where they first met. On their return however, everything was not as it seemed and their once pristine world was no more. The children have really enjoyed telling this new tale using a wide range of writing techniques such as: speech, fronted adverbials, extended noun phrases, use of colons and semi-colons, parenthesis and preposition. The week began with the children producing comic book strip plans for their story. After writing the first version of their story up, they spent time editing and redrafting, before writing up their final finished piece.

Maths:

After last week's assessment we began to address any misconception the children had after analyzing their test results. Therefore, this week as a class, we worked on adding and subtracting mixed fractions and what methods we need to use. Last on in the week we recapped long division including how to divide numbers that go in to decimals.

Christmas is coming!!

To contribute towards our Community Christmas Tree mentioned in the school newsletter, we would like children to bring in shop bought or man-made baubles from next week. At the start of next week, each class will place their bauble's on the tree and share a Christmas Prayer together.

Parent and Carer evenings

It was wonderful to see so many of you at this term's Year 6 Parent and carer evenings. It was a pleasure to share many of your child's achievements with you and discuss how to progress over the next two remaining terms.

I understand that Year 6 is a big year, so if any of you have any worries or concerns to feel free to email the school office on info@nutfield.surrey.sch.uk

Homework

Daily Reading: At least 15 minutes of daily reading out loud. Please fill in the reading log on completion of a book.

Maths: This week's Maths homework will be set on MyMaths and will be based on long multiplication. Use paper to help work out your answers.

Spellings: Twenty Spellings will be set on PurpleMash. Ten spellings from the Year 5/6 curriculum and Ten from the Years 3/4 curriculum.

Time Tables Rockstar: Please do continue to practise your times tables using our online program.

Revision: Please complete the reading comprehension entitled 'The Jabberwocky'.
