

Year 4 Homework Letter – Friday 5th January 2024

Our Learning This Week

English

In English this week, the children have been focussing on grammar. They have been learning about prepositions and how to use them to modify a noun phrase. We have been looking at the use of the standard English forms of verb inflections, in particular when to use 'was' and 'were'. The children learnt how to identify and use determiners and we finished the week learning how to punctuate direct speech. Next week, we will be starting out new text, 'The Lion, the Witch and the Wardrobe' by C.S Lewis. If you have time over the next week, it would be useful for the children to have their own copies of the text to read along with me in class.

Homework

The English activities this week are to learn Spring 1 Week 1 spellings on Purple Mash and to read for at least 15 minutes each evening. For Maths, the children must practise all of their times tables on Times Tables Rock Stars.

Maths

This week in Maths, the children have continued their topic on 'Multiplication and Division'. They have been introduced to factor pairs and how they can be used to solve multiplication calculations. We have also looked at different ways of presenting multiples of 10 and 100.

Love Project

This term, we will be supporting the local charity Love Works which helps those in need of food and can offer assistance with paying utility bills. We will be running our 'Tin a Week' project and ask that each family brings a tin of food into school each week. Our aim is to collect at least 500 items by half term. Nutfield Church Primary School is a partner of Love Works. This means that if you or your family are in need, you can simply ask Miss Woods for a food voucher. Each voucher can be exchanged for at least 2 weeks of household food and provisions. To find out more about Loveworks please follow the link:
