

Year 1 Homework Letter - Friday 23rd February 2024

English

This half-term we have begun reading a new book in English called 'Beegu'. Beegu tells the tale of an adorable little three-eyed alien who unexpectedly finds herself alone on Earth after her spacecraft crash-lands, leaving her stranded. Feeling bewildered and alone as she awaits a rescue signal from her mother, Beegu sets off to make friends with the strange creatures she comes across.

The children had to find and present evidence about the missing alien using a variety of sources. They had to answer these questions: What does the alien look like? How does the alien move? Where does the alien live? How does the alien eat? What does an alien eat?

Homework

Reading books will continue to be changed 3 times a week on a Monday, Wednesday and Friday. Please also practise the set spellings for this week on Purple Mash.

Diary dates

St. David's Day - St David's children to wear a yellow shirt—Friday 1st March

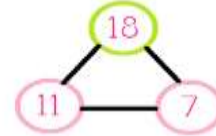

Finish for Easter- Thursday 28th March

Year One Class collective worship —
Wednesday 22nd May 9.05am

Year One phonics screening check-W/C 10th
June

Maths

Now that the children have spent some time exploring addition and subtraction separately, in this next step we look at how they relate to each other, considering the addition and subtraction fact families for numbers within 20.

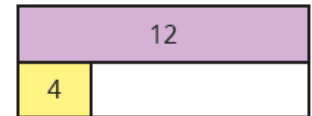

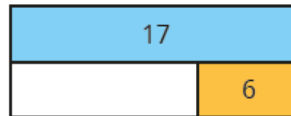

$$11 + 7 = 18$$

$$7 + 11 = 18$$

$$18 - 11 = 7$$

$$18 - 7 = 11$$

Complete the bar models.

Write the fact family for each bar model.

Use the numbers 8, 7 and 15 to draw your own bar model.

Write the fact family for your bar model.

Homework

Please complete the set activities on Purple Mash.

Great Fire of London model houses

Thank you to everyone who participated in the mini homework project designing and making our own Tudor houses. The results were amazing and have been commented on by many visitors to the school.
