Please complete the set activities on Purple Mash.

Easter Gardens

Once again, St Peter's and St Paul's Church are inviting the children to create an Easter Garden at home. Similar to the Nativity scene at Christmas, an Easter Garden is the recreation of Christ's tomb. An Easter Garden has three essential features: a mound with at least one cross to represent Calvary; a stone or stone structure to suggest the empty tomb; and lots of live greenery and flowers. Easter Gardens should be brought into school on either Monday 25th March or Tuesday 26th March. The Faith Team and Father Paul will then judge the entries on Wednesday 27th March. The Easter Gardens will then be displayed in the Southwark room where there will be an opportunity for each class to visit the hall to look at the different creations. The winning entry will be announced in Collective Worship when we return from the Easter break. We welcome individual entries or joint entries with siblings or friends! The gardens will be taken over to St Peter's and St Paul's Church on Thursday 28th March where they will be on display over the Easter period.

Daffodil picking

Year One were put in charge of picking and collecting a daffodil for each child in school to take home in the for Mother's day. This was 210 daffodils! They did a great job!

*Have a lovely weekend,
The Year One team*

The Great Fire of London

The children have really enjoyed learning about 'The Great Fire of London' and how life has changed considerably since then. Last week the children made a model street from the houses that they had made and this was set alight on the school field. The children remembered from their learning that the fire spread so quickly in 1666 because the houses were built very close to each other, they were made of timber, the wind was very strong that day and there was no proper fire brigade.
