

Year 1 Homework Letter - Friday 17th May 2024

English

This week in English we have carried on with our new book 'Julian is A Mermaid' by Jessica Love.

The children have written commands, imagining they were a mermaid. We have also made predictions on people's feelings based on the part of the story we have read so far.

Homework

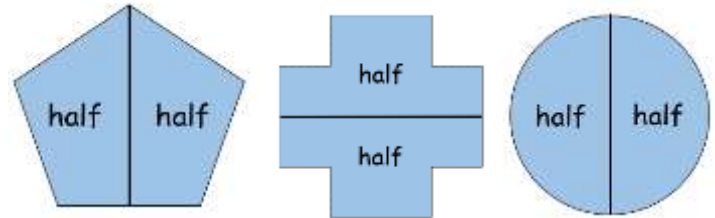

Reading books will continue to be changed three times a week on a Monday, Wednesday and Friday.

The children should also practise this week's spellings (Summer 1 Week 5) on the sheet provided.

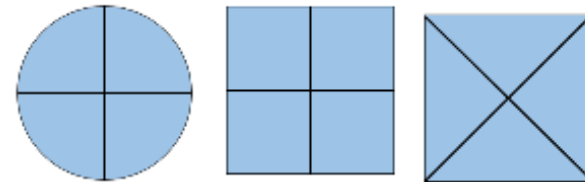

Maths

This week in Maths we have continued the work on our topic of 'Fractions'. We have looked at finding and recognising half of a quantity or shape.

To find half of an object or shape, we need to split the whole into two equal parts.

Towards the end of the week, we moved on to recognising and finding a quarter of a shape or object. To make quarters, we need to split the whole in four equal parts.

The children have all done very well in Maths.

Homework

The children should split everyday objects into halves and quarters (ie. cereal box, a ball...). They can draw pictures of the halves and quarters.

History - The Victorians

In preparation for our Victorian Day, we have looked at toys Victorian children used to have, and how they compare to modern day toys. The children have enjoyed this topic thoroughly!

We even made our very own thaumatrope (an optical toy). We had a lot of fun making and testing them out! Please do ask your children to show them to you!

Victorian Day

We are planning to hold a Victorian Day in school on Thursday 23rd May. During that day, the children will have the opportunity to experience a Victorian school day, and to take part in a range of Victorian activities. The children are welcome to come to school dressed as Victorian children.

Please ask if you have any questions.

Have a lovely weekend! The Y1 Team
