

Year 2 Homework letter—Friday 10th May 2024

We had a lovely PE lesson this week, where the children learnt how to rally in tennis!

English

We continued with our new book this week *'The Bear and the Piano'*. This week, we illustrated a comic version of our stories to understand what happens at each part and we have started to write our own versions of the story!

Maths

In Maths, we have been learning about measure, particularly about cm and m! We have compared objects to a metre and discussed if the objects are larger or smaller than a metre.

PE

PE is an essential part of our curriculum, the children must have their PE kits on a Monday and they will be sent home on a Friday.

Computing

We had a lovely computing lesson this week! The children drew their animal from *Bear and the Piano* and we learnt how to take photos and upload them. We used an *'Animated Drawings'* program to then animate our pictures. They have been saved and will be put on our website next week.

Year 2 Special Challenges

We have continued with our special challenges. The children have been taken out in small groups to complete them. A few of the special challenges are done as a whole class. This will continue for the next two weeks!

Please don't worry! The children are taking it all in their stride!

Please come and speak to me if you have any questions.

Well done, Year 2!

Diary Dates

PTFA Year 2 Cake Sale	Friday 17 th May - 3.15pm-4.45pm
School Photographer - Group	Monday 20 th May
PTFA Cinema Night	Monday 20 th May - 3.15pm-5.30pm
