

Year 3 Homework letter - Friday 3rd May 2024

A lovely

English

This week, we have continued reading 'Flotsam'. *The children have really enjoyed* researching the history of photography and the camera. They worked in small groups to find out about:

- the history of the camera
- Film cameras
- Digital cameras
- Instamatic cameras
- Underwater cameras

We found out some fascinating facts which we used to write a short non-chronological report.

Maths

This week we finished our learning about measure: volume and capacity:

- Equivalent measures
- Adding and subtracting ml and l

We have now moved on to shape and we are learning about turns and angles.

Homework

Reading: Please try to read every evening with your child. Do continue to ask them questions about what they have read to check their understanding. Currently we are doing a weekly group read so each child gets to read a book once a week in a group with an adult where good expression and tonation is encouraged, as well as helping the children to work on their fluency.

Multiplication: Please use Times Tables Rock Stars to help improve your child's understanding and knowledge of the times tables. It is a fun and interactive way to improve their number fluency, so please encourage your child to do this every weekend as part of their homework. By now they should know the 2, 3, 4, 5 and 10 times tables off by heart. This week we have begun a daily times table practise and test to get the children prepared for the Year 4 multiplication times tables check.

Spellings: Use the sheet provided to complete this week's spellings. An optional quiz will also be set on Purple Mash to complete. Please note sheets do not need to be returned. Some children will receive an additional set of spellings, and these should be the set they are focusing on.

Have a great weekend,
Mrs Cordey, Mrs Hargreaves-McCallum,
Miss Lindsay and Mrs Vaughey—Year 3
