

## Year 6 Homework letter - Friday 3rd May 2024

My last after school SA TS booster sessions will be on Thursday 9th May. There will be no more booster clubs after this.

### Reading Comprehension:

The children have looked at many different extracts in their learning this week. Their learning this week has again focused on their Reading and Comprehension skills in preparation for SATs. We have looked at four different question types:

- Distinguishing between fact and opinion
- A statement with supportive evidence
- *According to the text ... who, what where why...*
- What does this mean?

The children have been working as pairs and teams to find the relevant information to support their answers. They have been looking at extracts from: Charles Dickens, Harry Potter, Alice in Wonderland, Skellig, Children of WW2 and Charlie and the Chocolate Factory.

### Maths:

Our daily Maths lessons this week we have been recapping elements from the Spring and Autumn terms. The children have focused on: solving mixed operation word problems, questions involving prime numbers, multiples of numbers and factors of numbers before recapping converting units of measurement.

In the afternoons our focus has moved toward arithmetic practise. This week we have worked on:

- Multiplying fractions by a whole number
- Multiplying fractions by a fraction
- Dividing fractions by a fraction or a whole number
- Mixed fractions questions.

### SA Ts breakfast club

This Year we will once again be running our SA Ts breakfast club. This is a chance for children to come into school early, eat breakfast with their friends and relax before the beginning of the school day. This is optional, but we have seen it provide great benefit in preparing and calming the children ahead of their assessments. Breakfast will be served between 8:00-8:30am

If you do not wish to attend the SA Ts breakfast club, the statutory assessments will be taking place at 9am so please do make sure that children arrive at school promptly, before 9am registration. The School gate will open as normal at 8:45am.
