

Year 4 Homework Letter - Friday 21st June 2024

Our Learning This Week

English

In English, the children have been focussing on reading and comprehension in preparation for the assessment they completed this week. They have worked hard and we are seeing good progress in this area of curriculum across the class. The children have also spent time devising, rehearsing and performing their own holiday show based on our current text 'Weslandia'. The children really enjoyed this process and exploring all their ideas about the story in a practical context.

Maths

The children have completed their Maths assessments this week comprising of an arithmetic paper and a reasoning and problem-solving paper. Over the past months, the children have worked diligently to make good progress in this subject and I am so pleased to say that this has been reflected in their assessment marks. Well done Year 4!

Feeling Good Week

Next week, the children will be participating in a range of activities centred on wellbeing. On Monday morning, the children will be taking part in an Indian Dance workshop. On Tuesday, they will be watching a theatre production of 'Alice in Wonderland' provided by the PTFA. We shall also be doing our usual annual hop-a-thon and we will be ending the week with Sports Day on Thursday afternoon. On this day, the children should come into school wearing their PE kits. We shall also be doing a project during the week about healthy eating and doing daily children's yoga in class!

Maypole - Saturday 6th July

This year, the children will be performing the Maypole at our school Summer Garden Party. Our performance starts at 12:30pm so please could children meet me at 12:15pm outside the Year 4 classroom in the undercover area. The dance will take between 15-20 minutes at which point the children will be free to go. I am very proud of the children for how well they have risen to this challenge and I have every confidence that their performance will be marvelous!

Wellbeing Wednesday

This half term the children will have a dedicated morning of sporting activities on Wednesday 26th June.

Homework

The English activities are to learn Summer 2 Week 3 spellings and to read for 15 minutes each evening. For Maths, the children must practise all of their times tables on Times Tables Rock Stars.

Dates for your Diary
