Maths

This week we focused on days of the week and months of the year. We have practised spelling and ordering the days and months which has been fun.

We have worked as a team lining up and putting ourselves in birthday order and we have learnt this rhyme:

Thirty days has September, April, June and November. All the rest have thirty-one, Excepting February alone, and that has twenty-eight days clear and twenty-nine in each leap year.

Optional Homework

Ask your child to teach you the months of the year rhyme!

Feel Good Week

Across the school we have embraced 'Feel Good Week.' In Year 1 we have enjoyed Yoga everyday with a focus on mindfulness.

We have spent time learning about healthy eating and how to look after our bodies as well as our minds.

The PTFA organised their yearly treat for the children which was a production of Alice in Wonderland. All of Year 1 thoroughly enjoyed the play and it was lovely to see their smiles!

Hop-A-Thon

Our annual Hop-A-Thon was a resounding success and it was lovely to see all of the Year 1 'bunnies' hopping around the field. Thank you for all of your support and it is a very special event that the children really enjoy.
