

## Year 3 Homework Letter - Thursday 27th June 2024

This week was 'Feeling Good' week!

### 'Feeling Good' Week

#### Indian Dance Workshop

This took part on Monday morning. Our instructor - Kathy - told the children about India and Bollywood. We then learnt a number of moves which was made into a dance. The children then worked in pairs to make their own and then performed their dance to each other.;

#### Yoga

During the mornings this week the children have been outside to do some yoga. I was really impressed that some of the children did yoga.

#### Healthy Eating

We spent a whole morning this week learning about healthy eating. This work has been collated into a booklet which will be in their Science books.

#### Hopathon

The children enjoyed taking part in the Hopathon on Wednesday afternoon.

#### Maths

In Maths this week we have started learning about statistics. This second unit is about how we show data - information. So far the children have learnt about

- Tally charts
- Pictograms

The latter can be tricky as the key is often different.

#### Geography

As part of our Geography unit - where and why does the Earth rumble? - and linked to our guided reading book 'Earth Shattering Events' - we have started to make volcanoes from paper-mâché. We are going to paint them and then turn into a volcano!

Enjoy the weekend,

**Mrs Cordey, Mrs Hargreaves-Mc-Callum and Miss Lindsay - The Year 3 Team!**

### Homework

**Reading:** Our vision at Nutfield Church is to foster a love of reading for all children. As they move up through the school, they should continue to read at home every night. We listen to the children read in a group every week and they read with an adult as much as possible at school - we are constantly looking for opportunities to read! We ask that the children take responsibility for their own reading records and they **may** record what they have read themselves in pencil or black pen please.

**Maths:** In Year 3, we need to know the 2, 3, 4, 5, 8 and 10 times tables. The children should be using TTRS (Times Tables Rock Stars) to practise these at home, as well as learning them off by heart. In class, every day, we practise and take part in a daily times table test. The children are doing so well!! Please try to log on every weekend - it is part of their weekly homework tasks and they need to be prepared for the MTC in Year 4.

**Spellings:** Use the online spelling sheet provided to complete this week's spellings which have been set for the children. An optional quiz will also be set on Purple Mash. Please find this week's results in the reading record.

### Dates

INSET Day Friday 28th June

Art Exhibition Monday 1st July - 1.30pm-

4.30pm and Tuesday 2nd July - 3.15pm-4.30pm
