

### **Enterprise project.**

After weeks of data gathering, product research, resource pricing and advertising, on Friday afternoon the five enterprise teams finally sold their created products to the parents, carers and children of Nutfield Church. The children's enthusiasm was clear to see and they should all be proud of their efforts.

After taking back their initial start up money, the Year 6 children raised a total of £453 that will go towards their end of Year 6 leavers party.

I would like to thank the PTFA once again for supporting the children of Year 6, by providing money floats for their sales. Thank you so much for all the parent support over the last few weeks, these special events couldn't be possible without your given time and effort.

### **Production:**

*Practice for the Year 6 production of 'Robin Hood and the Nutfield Hoodies' continues. This week we have continued to practise in the hall, learning stage positions, choreographing dance moves to the songs and learning when to come on and off stage*

Next week, we hope to get the stage up after the Art Exhibition. We also hope to also welcome Year 5 into rehearsals with the aim of getting them involved with supporting singing roles.

If you have any problems regarding costumes please do refer to the costume list sent out two weeks ago. If you have any queries please do contact me on the playground, or contact the school office by phone or email to arrange a meeting. We hope to get as many of the costumes in by the end of next week so we have enough time to make adjustments if required.

### **Secondary School Transitions**

Moving up from primary to secondary school can feel like a huge step for a young person and their family, and this is natural. It has been reassuring to see the children's excitement, **but I know underneath there may still be some worries and emotions.** Do encourage your children to speak to yourself, a teacher or a teaching assistant with any worries that they may have. We are all here to help.

### **Homework**

**Reading and Speaking:** Please do practice reading through production lines at home as much as possible.

**Spellings:** Twenty Spellings will be set on Purple-Mash, ten spellings from the Year 5/6 curriculum. This terms spellings will focus on consolidating the spellings they have learnt over their time in Year 5 and 6.

**Time Tables Rockstar:** Please do continue to practise your times tables using our online program.

Please feel free to catch me on the playground after school Or alternatively message the school office and arrange a time to talk to me. We do hope you all have a restful weekend  
Mr Bowen
