

Year 1 Homework Letter - Friday 15th November

Happy Friday! We have had another wonderful week in Year 1.

English

This week we have continued our book: *Sidney, Stella and the Moon*. We have recapped what fiction and nonfiction books are; reading nonfiction books about the moon and preparing to write our own leaflets about the moon.

Next week we will be independently writing our moon leaflets.

Reading books are changed 3 times a week, on a Monday, Wednesday and Friday. Please read with your child every evening for 10 minutes; this is essential to support and boost their phonics ability.

Please make sure every read is documented in their Reading Log.

In year 1 we read **once** a week in school.

Please also practice the spellings that are set for this week in line with our phonics lessons; they are on Purple Mash and photocopied onto the back of this sheet.

Nativity

This week we have started rehearsals for our nativity. The Nativity Performances will be taking place on the 3rd-5th December.

Please make sure you have checked the costume list sent out before half term to see what your child should be wearing. Costumes should be brought into school in a named bag by Thursday 21st November.

Parents Evenings

This term's Parents Evenings are taking place on Monday 25th, Tuesday 26th, and Wednesday 27th November.

I look forward to seeing you all over the three evenings.

Show and Tell

This half term we have allocated a day for each group to do show and tell:

Monday: Zebras

Tuesday: Rhinos

Wednesday: Tigers

Thursday: Giraffes

Friday: Elephants

Homework

This will be sent home on Friday and must be completed by the following Wednesday.

Please continue to use Purple Mash with your child as a fun-interactive cross-curricular learning platform when you have time. These tasks are meant to support and stretch your child's in-school learning, and are in line with what we have learnt this past week.

Maths

This week we have been looking at different 2D and 3D shapes.

Next week we will be starting to look at finding patterns in groups of shapes.

There is some maths work set on Purple Mash to support this week's learning.

Numbots: There is an activity goal of 15 minutes a week set. However, this is not a limit.

This is a great tool for their Maths learning. Logins are in their reading records.

Mystery Reader

This half term we have a full line up of Mystery Readers. The children love the surprise of who is coming in each week. Mystery Reader takes place every Friday at 14:50.

Please contact the school office if you are interested in joining us in the Spring Term.

School Photos

Individual and Sibling school Photographs will be taking place on Monday 18th November.

Please make sure your child is in full school uniform.

Spare Clothes

If your child has been sent home with any of our spare clothes. Please could you wash and return them as soon as possible.

Have a lovely weekend,
The Year One team.
