

## Year 3 Homework letter - Friday 22nd November 2024

This week has been assessment week in Reading, Maths and Writing. I look forward to sharing the outcomes at Parents' Evening next week.

### English:

This week, we are writing a letter to another year group explaining why some tears are more precious than others focusing on the imagery used in the story. Next week we will be moving on to a new book—'The Tin Forest' which is about caring for the environment, and the importance of hopes and dreams.

### Maths:

This week in Maths we are practising the formal method of addition and subtraction with exchanging, remembering that we calculate the lowest place value column first. We have also learnt adding and subtracting a 2 digit number from a 3 digit number and remembering to line up the ones and tens.

### Homework

**Reading:** Please try to read every evening with your child. Do continue to ask them questions about what they have read to check their understanding.

**Multiplication:** Please use Times Tables Rock Stars to help improve your child's understanding and knowledge of these. I recommend a few 10 minute sessions a week to practise and of course we now have a trophy to play for! It is a fun and interactive way to improve number fluency.

**Spellings:** Use the sheet provided to complete this week's spellings. An optional quiz will also be set on Purple Mash to complete. This week's words contain the 'ou' grapheme.
