

Year 3 Homework letter - Friday 29th November 2024
 Thank you to all the parents who I saw at Parents' Evening this week.

English:

This week we will begin a new book—'The Tin Forest' which is about caring for the environment, and the importance of hopes and dreams.

Our first lesson focused on recycling and the ad-

jectives we would use to describe the properties of the items we recycle. Then we had to design an outfit out of recycled materials and then had lots of fun making one!

Maths:

This week in Maths we have finished our unit on addition and subtraction, but to ensure that we are confident with the formal methods used to calculate, especially when exchanging, we will be practising in class over the next few days. We are then moving onto multiplication and division so keep practising the times tables on TTRS!

Anti-Bullying Week

This half term in Wellbeing, we have been talking about friendship and the children came up with a recipe for friendship and in our class we are making a friendship tree where we have displayed our beautiful work.

Homework

Reading: Please try to read every evening with your child. Do continue to ask them questions about what they have read to check their understanding.

Multiplication: Please use Times Tables Rock Stars to help improve your child's understanding and knowledge of these. I recommend a few 10 minute sessions a week to practise and of course we now have a trophy to play for! It is a fun and interactive way to improve number fluency.

Spellings: Use the sheet provided to complete this week's spellings. An optional quiz will also be set on Purple Mash to complete. This week's words contain the prefix 'in'.
