

## Year 4 Homework Letter - Friday 21st March 2025

### Our Learning This Week

#### English

In English this week, the children have been assessed on their reading and comprehension, spelling grammar and punctuation and writing. They all worked hard in their preparations for the assessments and tried their best in each one.

#### Maths

In Maths this week, the children have been assessed on Arithmetic and Reasoning. As with the English papers, the children spent time revising prior to doing the assessments to give them the best opportunity to feel prepared.

#### Wellbeing Wednesday

The children enjoyed an additional morning of exercise this week with Pete and Luke (our sports instructors). They focussed on their core PE skills and had a thoroughly lovely time in the Spring sunshine!

#### Geography

Our topic in Geography this half term is all about weather. Building on from what they learnt in Year 1 the children have been exploring the seven elements of weather, the Beaufort wind scale, why we have day and night and the seasons. This week we have learnt about the different climate zones in the world and the type of weather they experience focussing on tropical, arctic, temperate and arid climates.

#### Homework

The English activities are to learn Spring 2 Week 4 spellings and to read each evening for 15-20 minutes. For Maths, the children must practise all of their times tables on Purple Mash.

### Love Project

This year, as part of our Spring term Love Project, we are supporting the Southwark Diocese Lent Appeal. To raise money for we have asked the children to raise money through either giving something up or taking something up for the 40 days of Lent. We are encouraging children to collect sponsorship money for each day they manage this. Lent ends on Thursday 17th April and the children will need to bring in their sponsorship money the first week back of the Summer term.

### Easter Gardens

St Peter and St Paul's Church are inviting the children to create an Easter Garden at home which should be brought into school on Monday 31st March.
