

Year 5 Homework letter - Friday 16th May 2025

This is the last homework letter of the term! I hope you all have a very relaxing half term with the children and enjoy your week with them.

English

We have continued with our new book this week in English. It is *'The Lost Happy Endings'* and is about a girl called Jub who delivers the happy endings of stories to all children at bedtime. One night, they are stolen and all bedtime stories end in unhappy endings.

This week, the children have written their own prequels to the story—based on the *witch being a 'good' character and transforming into a witch*. I am so incredibly proud of what they have achieved this week and do think this is the best writing we have completed all year! Well done, Year 5!

Maths

In Maths, the children have learnt position and direction. In particular, how to find lines of symmetry and use them to reflect shapes!

PE

The children had a great PE session on Monday, where we played rounders all afternoon! Their team work was fantastic! We will continue with rounders on Monday!

Equity Ambassadors

For the next 4 school weeks, on a Tuesday morning, the children will have a weekly session around Equality and Equity by the Palace for Life Foundation! We have already had 2 sessions with the coaches and the children have loved the sessions so far! For more information on this, please visit their website:
<https://www.palaceforlife.org/>

This past Tuesday we also had our last Equity meeting. The children were eager to discuss how we can make children with additional languages feel comfortable in our school.

On Tuesday 20th, the children will have their juice and biscuits in our Equity session with the Palace for Life coaches.

After half term, the children will be taught by Mr Busby. He will be in school after half term working in Year 5 and will then take the class full time until the end of the academic year. The children have had Mr Busby already this year.
