

Year 1 Homework Letter - Friday 27th June

Happy Friday! We have had another wonderful week in Year 1.

English

This week we have finished reading the book *Iggy Peck, Architect*, a story where a young boy is passionate about architecture, but his teacher has a differing view. We edited and wrote our work up in neat on poster paper; adding images of each building.

Next week we will be starting our new book 'Julian is a Mermaid'

Please read with your child every evening for 10 minutes and make sure every read is documented in their Reading Log.

Reading books are only changed once it is finished and documented.

Please also practice the spellings that are set for this week in line with our phonics lessons; they are on Purple Mash and photocopied onto the back of this sheet.

Maths

This week we continued our unit of money. We have spent the week learning how to identify all of the different notes and adding up a variety of coins to make an amount. Next week we will be learning about time.

To help your child, if you have coins at home, keep them exposed to them as much as possible and refer to their value. This is especially important now, as we do not use cash as much anymore.

Numbots: There is an activity goal of 20 minutes a week set; however, this is not a limit. This is a great tool for their Maths learning.

Sports Day

Thank you to everyone who came to cheer on at Sports day this week. We hope you had a lovely afternoon. All the photos taken by our wonderful photographer will be on the website shortly.

INSET Day

Next Friday (4th July) is an INSET day.

Theatre Trip

On the 10th July, Year 1 will be taking a trip to the Polka Theatre. This is in the morning. The children will arrive to school for normal time. We will register and leave at 9:15. We will return to school for a late lunch at 12:30.

Summer Concert

Also on the 10th July, The summer concert is taking place. This is from 6:00-7:00pm

Carnival Day

On the 14th July we will be having a carnival day based on our next English book - *Julian is a Mermaid*.

We will have lots of fun carnival themed activities for the children to participate in.

The children are encouraged to come in dressed for carnival; bright colours, glitter, sequins, and feathers are all welcome.

Below is a picture from the book of a sea themed carnival parade.

Art Exhibition

On the 7th and 8th July we will be holding our annual Art Exhibition, where we will be displaying a selection of the artwork we have created throughout the year. Every child will be represented by several of the pieces they have made and it is a lovely opportunity to see their creative talents.

Have a lovely weekend,
The Year One team.
