

Year 6 Homework

12 - 09-25

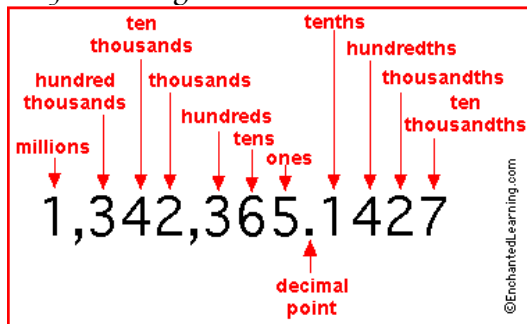

It was wonderful to meet so many of you at the 'Meet the Teacher' meeting this week. During the meeting, we went through the plans and expectations for Year 6, and explained how the classroom and curriculum are organized, as well as, many other aspects of day to day life for the children.

Residential - next week!

On Monday we will be leaving promptly at 8.15am for High Ashurst. Please can all of the children arrive ready at school between 7.30am and 8.00am. They will need a packed lunch for the first day and a bottle of water.

Maths

A good understanding of place value is vital in primary school Maths. Place value is the value of each digit in a number.

Our place-value system is called the "decimal" system, because it is based in 10.

Test Week

This week, the children have shown incredible resilience and have been completing practice tests in SPAG (Spelling, Punctuation and Grammar), Reading comprehension and Maths. This was to identify each child's learning needs and how to provide necessary support throughout their learning.

They have also had the opportunity to plan and write an informal letter for a new child starting the school.

I am so proud of them and we are all looking forward to having a week out of school and enjoying the residential trip!

Guided Reading

This week, we have started with an engaging activity on inference - one of the most important reading comprehension skills children need to learn. Inference can be defined as the process of drawing of a conclusion based on the available evidence plus previous knowledge and experience.

Things to remember

15.09.25 - 19.09.25 - Year 6 Residential
25.9.25 - PTFA AGM
04.10.25 - PTFA Year 6 Cake Sale

24.10.24 - Happy School Bag Collection
18.11.25 - School Photos
w/c 24.11.25 - Parent and Carer Evenings
01.10.25 - St Andrew's Day - Blue shirt for St Andrew's team
w/c 24.11.25 - SSA Parent and Carer Evenings

Homework

As children will be on the residential next week, homework will be to practice their multiplication knowledge on TTRs and Reading at home.

Attendance

Year 6 have started the year really well with 100% attendance on the first day. Every day counts towards your child achieving the best possible outcomes.

Thank you for your support. Let's hope the sun shines next week!

Regards,
Miss Best
