

Nutfield Church Primary School

Homework

Year Group: Year 3

Date: 07/11/2025

Maths:

Please keep practising on Times Tables Rockstars to improve multiplication skills. We are continuing to look at 2,5,10 and 3 times tables. There are plenty of songs online that also help. If they haven't already, do get them to log onto the Numbots section in TTRS. This will help them with their addition and subtraction, and it is self paced.

Reading:

Please keep encouraging the children to read each day and record this in their yellow reading records (with parental help if needed). Please ensure your child brings in their book and reading record book each day.

Spellings:

The next test will be Friday 14th November. Do practise on Purple Mash and little and often through the week. Please do check their reading record books, on a Friday, for their results.

Other info:

Thank you so much for your generous gifts towards the shoebox appeal, it will make such a difference to those children who have very little. And finally, something exciting to look forward to— we have booked a Stone Age workshop, to come into school, for Thursday 11th December. It looks to be really fun. Tuesday 11th we have our Remembrance service, outside. Please ensure the children come to school with a coat. Have a lovely weekend. :)

Mrs Newman
