School: Nutfield Church CofE Primary

Dear Parent/Carer,

Re: Your child's flu vaccination is now due

The Children and Family Health Surrey Immunisation team have now visited your child's school to deliver the influenza (Flu) vaccination.

This vaccination is recommended to help protect your child against flu. Flu can be an unpleasant illness and can cause serious complications. Vaccinating your child will also help to protect more vulnerable family and friends by preventing the spread of flu.

Further information can be found at the following link:

[Children's flu vaccine - NHS \(www.nhs.uk\)](http://www.nhs.uk) or <https://youtu.be/TKSL5UWg4yg>

If you have missed this opportunity and would like your child to receive this vaccination, please complete the e-consent by visiting www.surreyimmunisations.co.uk and entering your schools unique code **SR125193**

An automated email will be sent to you on completion of the e-consent form from school.immunisations@nhs.net. If you do not receive this, please check in your junk email or contact the Immunisation team.

We offer a selection of clinic locations and appointment availability which you can book directly into by using the link and booking number included in the email from school.immunisations@nhs.net.

- If **you do not** want your child to receive a vaccine, may we ask that you still complete a consent form and select the 'No' box.

HCRG Care Services Ltd,
company number 7557877 registered in England and Wales at WA7 4QX.
Send any correspondence to the address at the top of this letter.
To find out how we use and protect your information, see our privacy notice at surreychildandfamily.co.uk

Providing NHS services

- If you do not want your child to receive the nasal spray vaccine on the basis of porcine gelatine, please fill in the '**No**' box indicating this, and you will be given the opportunity to consent for an alternative vaccination. This vaccination is delivered by injection into the arm and does not contain any porcine gelatine.

Measles, Mumps, Rubella (MMR) Information

By now your child should have had two doses of MMR to fully protect them from the diseases of MMR. If your child has NOT had two doses of MMR, and you would like them to be protected, please contact the Immunisation Team on the above email.

Information about MMR and answers to some common questions can be found at:

<https://www.gov.uk/government/publications/measles-dont-let-your-child-catch-it-flyer-for-schools>

If you would like any further information about the school-based vaccination programme, please contact the Immunisation Team on the telephone number above or visit <https://surreychildandfamily.co.uk/> where you will find additional information about immunisations, school session dates, catch-up clinics and to read our [Privacy Policy](#)

Yours faithfully

Clinical Service Manager
