

Nutfield Church Primary School

Homework

Year Group: Year 3

Date: 09/01/26

Maths:

Please look at My Maths. This week's homework is on multiplication. Their log in is at the back of their yellow reading record book. Please keep practising times tables regularly, whether orally, or on Times Tables Rockstars, to improve multiplication skills. This will also really help with our class work.

Reading:

Please keep encouraging the children to read each day and record this in their yellow reading records (with parental help if needed). Please do ask them comprehension questions about what they have read, to ensure understanding.

Spellings:

This week's spellings are on the **Prefix super-**. Please do check their reading record books, on a Friday, for their results.

Other info:

From Monday, 12/1/26, the school will be participating in the Tin a Week Love Works project. The idea is that we invite each family to bring a tin or packet of food each week (or more if you would like to) to school until the half-term holidays. Each class's collection will then be taken to the food bank. Year 3 have been allocated tinned custard or UHT semi-skimmed milk. Thank you in advance.
