

# Nutfield Church Primary School

## Homework

Year Group: Year 3

Date: 06/02/26

### Maths:

My Maths. This week's homework is the next step on **Perimeter**. Please get them to practise the questions. The children have been working hard on their measurement lessons this week. They should be proud of themselves.

### Reading:

Please keep encouraging the children to read each day and record this in their yellow reading records (with parental help if needed). **Please do ask them comprehension questions about what they have read, to ensure understanding.**

### Spellings:

This week's spellings are **consolidating words** from this half term. **Please get the children to practice on Purple Mash.**

Please do check their reading record books, on a Friday, for their results.

### Other info:

Thank you for providing wellies for Wellbeing and spare clothes and shoes for Sam's Sports. The mud continues to be a challenge. Sorry about all the washing!

It's the final push for bringing in the tinned custard or UHT semi-skimmed milk for the Love Works Project. Thank you so much for your kindness and generosity. Have a fantastic half term holiday. :)
