

Nutfield Church Primary School

Homework

Year Group:

Year 1

Date:

Friday 20th March

Maths: We have started looking at length and height in maths. I have set a longer or taller activity should you wish to complete this.

Reading: Please read for 10 mins with your child as much as possible. It will really help to expand their phonics knowledge. Books are only to be changed on **Monday, Wednesday and Friday**. Please make sure to **write in your child's book if it needs to be changed**; this will help us to ensure everyone who needs to will have a changed book. Please make sure you bring in your child's book every day.

Spellings: The spellings have been set this week on purple mash I have set the quiz as well as LSCW harder to read than spell words. We have been focussing on this a lot in phonics in the recent weeks. The spellings **are your, they, be, he, she, we, no, go, so, that, an**. Remember that **you cannot** sound out a tricky word or harder to read than spell word.

Other info: : Thank you for supporting the children in attending parents evenings this week. It was a joy to speak with all of you. **Please note** that we are at Gatton Park on **Tuesday 24th March** . We will be leaving school at 9:00am on the coach. Please ensure all children have a packed lunch and we kindly ask that you do not pack **nuts or unhealthy snacks like chocolate or crisps**. The weather is changeable at the moment so please all bring a **coat**. If your **wellies** are not in school at the moment please bring them in for the trip just encase it is a rainy day and the ground is soggy beforehand. The workshops we will be taking part in are **growing**, linked with our Science unit and **art in the park**. If you'd like to read about what these contain you can find them on the Gatton park website under schools. Have a lovely weekend,
From the Year 1 team.
