Other info:

**Mercers's Lake:** We are very excited about our three activity days to Mercer's Lake on Wednesday 10th, Thursday 11th and Friday 12th June 2026. Please ensure child is in on time as the coach will be leaving promptly at 9:00am and that they come fully prepared with all of the items listed in the email which was recently sent. If you have any questions or concerns please don't hesitate to get in touch. It will be a fun packed and adventure filled experience for all of our children.

**Mars Rovers:** It is our intention to construct our Mars Rovers as part of the CDT curriculum the week commencing 15th June. In the lead up to that week it would be greatly appreciated if you could support your child in collecting the items they would like to bring into school for the project. Please send the items in a named plastic bag on the **Monday 15th June**, the children will be spending each afternoon (except Monday) that week making their constructions ready in time for the Art Exhibition.

Many thanks for all your help and support with both of these ventures.
