Other info:

**Mercers's Lake:** The children has a wonderful time at Mercer's Lake enjoying a variety of water sports. As ever, they behaved impeccably proudly representing their school. The activities enabled the children not only to build up their skill set in the area of sport but also gave them many opportunities to develop both their team working and resilience, they also had a lot of fun!

**Mars Rovers:** Thank you for supporting your child with helping them to bring inresources for this CDT project which we have been working hard on each afternoon this week. I was particularly proud of how efficiently they cleared up the classroom at the end of each session—which I was most grateful for!

Many thanks for all your help and support with both of these ventures.
