

Nutfield Church Primary School

Homework

Year Group:

Year 2

Date:

Friday 18th September

Maths: We have been continuing to learn about place value this week. We have particularly been looking at how to partition numbers into tens and ones and labelling number lines. From next week we will be setting maths homework on Purple Mash. In the meantime please keep practising on TTRS.

Reading: Please read with your child as it is vitally important for the development of their reading and writing skills. We appreciate your help to look after your child's reading record and ensure they are signed regularly and are kept in your child's book bag at all times. Children's will be given two books once a week on an allocated day.

Spellings: This weeks spellings are homophones and near homophones. A homophone is a word that sounds like another word but has a different meaning. We have a spelling test every Friday.

Other info: We have a busy week and are now in a good routine with our timetable and expectations.

Thank you for your support so far this term and have a lovely weekend.

The Year 2 Team.
