

Nutfield Church Primary School

Homework

Year Group:

6

Date:

25.09.26

This week your children will be coming home with a variety of things to help them on their Year 6 journey.

CGP Books: Arithmetic, Reading and Spelling and Grammar. I will be setting recommended activities from these to complete over the course of the next academic year. Alternatively do complete in your own leisure. I don't require these to be handed in, but we recommend keeping on-top of them as the homework expectation will be different in Year 7.

The Children will also be coming home with the following login details for: My-Maths, Purple-Mash and Times Table Rockstars. These programs have a variety of resources that can help children in self study. From time to time, I will also be setting activities on these platforms.

CPG Books for Homework:

I will be setting new tasks on Friday 16th October. No need to complete these all at once, complete little and often over the course of the next three weeks.

Maths: Please complete the following pages from the CPG Arithmetic book. Please complete the following chapters: Written Addition, Written Subtraction, Adding Decimals and Subtracting Decimal.

English Study: Please Read through the pages 'Word Meaning, Retrieving information, Summarising, Making a Difference, What Happens Next, Structure, Choice of Language and Comparing. These can be found in the CPG Book 'English'

Comprehension Reading. Completed Pages 10—19 from the CPG Book entitled 'English'.

Spellings: Please complete the spellings set on PurpleMash—In Year 6 there will be 20 weekly spellings . Ten from the Year 3/4 Curriculum and Ten from the Year 6 and 5 Curriculum. As a school we are trying to have a big push on hand-writing. Please use this as an opportunity to practice your cursive writing.

Other info: Photos from the Year 6 residential should soon be up on the school's website.
