

Nutfield Church Primary School

Homework

Year Group:

Year 2

Date:

Friday 2nd October

Maths: We started our next maths unit this week which is addition and subtraction. This week we have been looking at number bonds to 10, 20 and 100 (in tens). We have also been learning about related facts eg if I know $13 + 7 = 20$, I know that $20 - 17 = 3$. I have set a number bonds to 20 pairs game on Purple Mash. Please have a go!

Reading: Please read with your child as it is vitally important for the development of their reading and writing skills. We appreciate your help to look after your child's reading record and ensure they are signed regularly and are kept in your child's book bag at all times. Children's will be given two books once a week on an allocated day.

Spellings: This weeks spellings are some common exception words—move, prove, just, sure, sugar, eye, could, should, would, like, big, then.

We will learn these spellings every day for 15 minutes and then have a short test on Friday. I have set a quiz and LSCW on Purple Mash to help your child learn these at home.

Other info:

Just a polite reminder to please label your child's uniform with their name. We currently have 5 unnamed jumpers/ cardigans in the classroom that are not being claimed. If you want to come in after school and check if it belongs to your child you are welcome to do so.

Thank you for your support so far this term and have a lovely weekend.

The Year 2 Team.
