

Nutfield Church Primary School

Homework

Year Group:

Year 2

Date:

Friday 9th October

Maths: We have been continuing to learn about addition and subtraction this week. We have been adding ones, tens and 3 one digit numbers. I have set a calculation game 2Do on Purple Mash called 'Funky Platform'. The children need to add and then subtract simple numbers to find the answer. Also keep practising on TTRS - times tables are so important!

Reading: Please read with your child as it is vitally important for the development of their reading and writing skills. We appreciate your help to look after your child's reading record and ensure they are signed regularly and are kept in your child's book bag at all times. Children's will be given two books once a week on an allocated day.

Spellings: This weeks spellings is the /p/ sound spelt a after w and qu. The words are - want, watch, wander, quantity, squash, wallet, wasp, quality, quarry, wash.

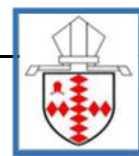

We will learn these spellings every day for 15 minutes and then have a short test on Friday. Please help your child learn these at home this week. I have set a LSCW and spelling quiz 2Do on Purple Mash for these spellings.

Other info:

We had a brilliant trip to the British Wildlife Centre on Thursday. The children were enthusiastic and interested during the trip and we all learnt lots about our local wildlife.

Thank you for your support so far this term and have a lovely weekend.

The Year 2 Team.
