Nutfield Church Primary School

Homework

Year Group: Year 2 Date: Friday 6th November

Maths: We have continued our learning on addition and subtraction this week. This week we have been looking at adding and subtracting tens and adding to the next ten. Being confident with number bonds to ten makes adding to the next ten so much easier. I have set a number bonds game on Purple Mash so the children can work on quick recall, please have a go!

Reading: Please read with your child as it is vitally important for the development of their reading and writing skills. We appreciate your help to look after your child's reading record and ensure they are signed regularly and are kept in your child's book bag at all times. Children's will be given two books once a week on an allocated day.

Spellings: This weeks spellings are the suffixes -ment, -ness, -ful, -less and -ly - enjoyment, sadness, careful, playful, hopeless, plainness, badly, happiness, employment, darkness

We will learn these spellings every day for 15 minutes and then have a short test on Friday. I have set a quiz and LSCW on Purple Mash to help your child learn these at home.

Other info:

We hope that you had a lovely half term. Autumn 2 is always such a busy term - Nativity practice is already in full swing! Please let us know if you need any help with costumes, we do have a few left.

Thank you for your support.

The Year 2 Team.
